

1. Type of Food Business – ‘Food Stand selling open foods’ e.g. foods cooked, reheated and/or refrigerated at stand. These foods must be produced in a registered food business and operators must have a registered food business located at the back of the stand.

‘Food Stand selling packaged foods only’ e.g. foods that are packaged and labelled prior to sale. These foods must be produced in a registered food business and operators may require a registered food business at the back of the stand.

2. Food details – Outline the products that are being sold from your business and indicate the backup registered food business, where this is applicable.

Food stands must have access to a back up food business that is registered with the Health Service Executive. The backup food business must provide hand washing facilities and access to sanitary accommodation.

Only registered food businesses are suitable as a backup food business.

3. Registration Details – Mobile Food Van – e.g. mobile chip van, candy floss, ice cream seller etc must be registered with the Health Service Executive. The food business operator must produce written confirmation that they are registered with the HSE prior to the event.

Mobile Food Vans located outside the Republic of Ireland must indicate their registering/licensing authority (e.g. approval number etc).

Food Stand selling open foods/Food Stands selling packaged foods – All foods for sale must be produced in a food business that is registered with a regulatory authority to carry out such activities e.g. HSE/Local Authority/Dept of Agriculture

Each food operator must meet the following requirements:

1. A food worker trained in food hygiene must operate the food stand.
2. The following must be provided at the food stand (where applicable):
 - Covered Stand (access at Back for Staff)
 - Supply of Hot and Cold Water
 - Refuse bins
 - Power supply
 - Bain Marie/Refrigeration Facilities/Cooking/Reheating facilities – equipment must be in good working order and in a proper state of repair.
 - Probe thermometer/disinfecting wipes
 - Temperature monitoring and records
 - Bottle of spray disinfectant
 - Utensils
3. Where practicable, food stands must not be located in areas where there are likely sources of contamination i.e. animals, street refuse bins, water ponding, open drains etc.
